

Invitation to Visit the MEET Summer program

Middle East Education through Technology

Come MEET our students and our amazing volunteer instructors from MIT, check out their latest innovative projects, and let us share The excitement of MEET with you!

MEET Summer Program 2009:
July 5th - July 28th

Hebrew University of Jerusalem, Givat Ram Campus
Tel: 02 627 2188 E-mail: noa@meet.mit.edu

MEET offers a dynamic computer science and business program for exceptional Palestinian and Israeli high school students, the future leaders of the region. The program uses a rich curriculum of computer science and business to teach its students leadership, teamwork, & mutual understanding.
